MONTHLY NEWSLETTER OF OAKLEY CHRISTIAN CHURCH  
JUNE 2017

## From the Whyte House

I don't know about you, but I am ready this time of year. School is out, the temperature is finally starting to climb out of the snow like temps and vacations are being planned. It won't be too long and I will desire cooler weather again but for now I am ready. I am ready to enjoy all that summer has to offer. Especially, the little bit of down time that we lovingly refer to as "vacation." I am looking forward to enjoying time with my family, resting and relaxing.

Did you know that vacationing is scriptural? We see, in the book of Mark, that Jesus and His disciples have been teaching, doing miracles and flat out working their tails off and they are overwhelmed. Jesus says in, **Mark 6:31 (NIV)** <sup>31</sup> **Then, because so many people were coming and going that they did not even have a chance to eat, he said to them, "Come with me by yourselves to a quiet place and get some rest."** Jesus reminds us that we need to get away from our normal routine and get some rest. The rest that he speaks of is the idea of refreshing ourselves to continue the task ahead. Many of us will take vacations this summer and I want us to remember that as we take those vacations to get some rest with our families, let us not forget that even as Jesus rested He still made time for His Father. Find a church to worship at as a family when you are away from home, give to His Kingdom work here at OCC by simply mailing your tithe to the church or drop it by the church on your way out of town and refresh yourself as a family as you vacation.

Blessings,

*Ja*

**World-Class, Accessible & Affordable:** Growing your leadership demands intentionality. Each Summit faculty member is carefully selected to deliver intellectually rigorous content in an environment that fosters vigorous thinking and dialogue. Hosted in more than 1,300 cities worldwide, the Summit is both accessible and affordable, facilitating large team participation.

**A Culture of Leadership:** Everybody has influence and the potential to spark positive change. A culture of Christ-centered leadership can change individual lives, churches, businesses, government, schools and homes. For many participants, the Summit is the most leadership-infusing annual experience they use to build into their entire congregation.

**Unapologetically Christ-Centered:** From the very beginning, the primary target of the Summit has been church-focused. Increasingly the Summit attracts Christians from every walk of life. Still, the leadership core in a local church remains the focal point. A culture of Christ-centered leadership can change an entire church, a community...even the world!

**Local Ownership, Global Reach:** Our Host Sites and local church leaders are uniquely equipped to reflect Christ to the communities they serve. Whether in a suburb of Los Angeles or a village in Vietnam, local Christ-followers are challenged to elevate their intensity of leadership and adapt the learnings within their cultural context.
