

THE EPISTLES OF JOHN

Current Sermon Series

OAKLEY CHRISTIAN CHURCH
OCTOBER 2018

From the Whyte House

We have been a very busy church over the last few weeks. I just wanted to take a moment to say "Thank You" to all of you who have helped be the hands and feet of Jesus through serving in this community. Primarily, with the 2 specific projects. The first project was Impact Day as we painted William and Mary Cunningham's house. You guys were awesome and the house looks great. William and Mary were very happy with what we did for them on Impact Day. The second project was moving rock at Lindola Merriman's house. She too is extremely thankful for the hard work we put in. There is no greater feeling than when you help someone, knowing that without doing what you are doing it wouldn't get done. You all were most definitely the hands and feet of Christ and we showed this community what Christianity looks like in action. As a good friend in Missouri once told me, "The church has left the building." For that I am forever grateful to be serving with all of you. Great Job and Thank You!!

Serving Him with all of you,

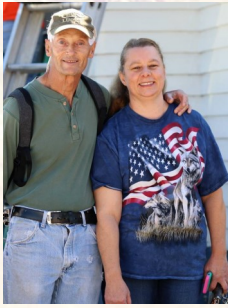

Ja
