

OAKLEY CHRISTIAN CHURCH

MARCH 2019

FROM THE WHYTE HOUSE.....

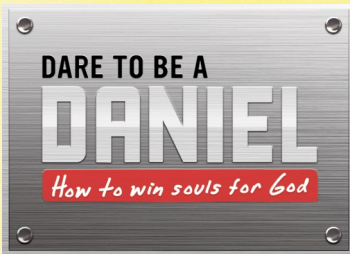

Well, we have made it to March. It just feels like yesterday that we were starting a new year and the weather isn't really helping us feel like we are in March either. I wanted to take this opportunity to remind us of what we started back in January as we started a new year. I started preaching on our theme of "Growing Together." We began looking at Ephesians 4:13-16 and we began unpacking what Paul had to say about "Growing Together." In the end we learned that we all play a part in the growing process or growth will be stunted. We moved on in February to our series called "Unfair" and we have been learning that even when life is unfair there is growth. God wants growth to occur in our lives all the time. God will grow us right where we are and He will also grow us by moving us out of our comfort zones and stretching us to the max. But I am reminded that God will not give us more than He cannot handle. We must trust Him every step of the way knowing that the end result is us being the people that bring glory and honor to the King. I pray that you are growing in your faith, trust and knowledge of God. I cannot wait to watch all that God has in store for OCC.

Growing together,

Ja
