CHRISTIAN CHURCH

June 2019

## From The Whyte House

If you remember back, almost 6 months ago, we started the year off with establishing a theme for the year. That theme is, "Growing Together." The idea behind this theme is that we are all growing in different ways and at different speeds as individuals and families but we are also growing as a church. We want to make sure that we are doing that together. Together, we can help each other grow through those things that each of us as individuals and families have been through. We can each be an encouragement to each other as we all have something to offer in the area of growing.

I bring all of this up because it often feels like when summer hits we kind of relax and hit the snooze button. I want to remind us that life and growth don't take a break. We need to continue to encourage each other. I am reminded what scripture tells us in, **Hebrews 10:24-25 (NIV)** <sup>24</sup> **And let us consider how we may spur one another on toward love and good deeds,** <sup>25</sup> **not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.**

Summer is definitely a time for relaxing and reconnecting but it is also a time to continue to grow together as a church. Life is busy as we take vacations and dive into all of our summer activities but all the more reason to encourage each other and spur one another on as we Grow Together. I am also reminded of a scripture found in, **Proverbs 27:17 (NIV)** **As iron sharpens iron, so one person sharpens another.** I pray that as spring turns into summer and our focus turns from school to vacation that we can be that iron for others as they are for us.

Growing Together,

**Wildflower** - From the creators of the highly acclaimed motion picture "King's Faith" comes **Wildflower**, a **movie** about a college student struggling with a painful childhood who begins to have a reoccurring nightmare that compels her to confront her past and restore her faith. # THE GLOBAL LEADERSHIP SUMMIT

August 8-9, 2019 | [GlobalLeadership.org/Summit](http://GlobalLeadership.org/Summit)

**World-Class, Accessible & Affordable:** Growing your leadership demands intentionality. Each Summit faculty member is carefully selected to deliver intellectually rigorous content in an environment that fosters vigorous thinking and dialogue. Hosted in more than 1,300 cities worldwide, the Summit is both accessible and affordable, facilitating large team participation.

**A Culture of Leadership:** Everybody has influence and the potential to spark positive change. A culture of Christ-centered leadership can change individual lives, churches, businesses, government, schools and homes. For many participants, the Summit is the most leadership-infusing annual experience they use to build into their entire congregation.

**Unapologetically Christ-Centered:** From the very beginning, the primary target of the Summit has been church-focused. Increasingly the Summit attracts Christians from every walk of life. Still, the leadership core in a local church remains the focal point. A culture of Christ-centered leadership can change an entire church, a community...even the world!

**Local Ownership, Global Reach:** Our Host Sites and local church leaders are uniquely equipped to reflect Christ to the communities they serve. Whether in a suburb of Los Angeles or a village in Vietnam, local Christ-followers are challenged to elevate their intensity of leadership and adapt the learnings within their cultural context.
