MONTHLY NEWSLETTER  
MAY 2020

## From The Whyte House....

Well, I hoped that I would be writing this article to let you know that we would be meeting face to face this coming Sunday, May 10. However, as I write this that doesn't seem feasible. I am so ready to be back together even if it means being restricted by size of attendance or distance between each of us. I know some may say that we need to reopen slowly and they might be right. What I do know is that we were not created to be alone and isolated. God created us to be with one another and to encourage each other. All of this being said, I am excited to see people joining us online that have not joined us in person at church. So I know that we are doing a good thing by holding services online through all of this. I also know that this has helped us reach out and be the hands and feet of Christ. It has caused us to look out for each other and to check in on people that we wouldn't have under normal circumstances and all of this is good. In fact, we are encouraged by Paul in the book of Galatians 6:9 when he tells us, ***"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."*** People are seeing Jesus in what we are doing and saying. They are seeing His love, grace and mercy. We are introducing people to the "One and Only, Jesus Christ" and those people are going to want to get to know Him and we are going to be around to see that come full circle. So as we are getting tired of this online church stuff let us not become weary of doing good....let us not give up on being Jesus to those around us. Because the harvest is plentiful.

Looking forward to seeing everyone soon,

*Ja*
