Ecclesiastes chapter 3 tells us that **"There is a time for everything, and a season for every activity under heaven:"** That being said, now is our time. It's our time to come back together 100% and do church. We are doing exactly that on June 7. We will begin with a light breakfast at 9:30 to fellowship together and celebrate promotion Sunday with our elementary through high school students. At 10:30 we will join together for a time of worship and study together as a body of believers. What does this mean for you? Feel free to wear your mask if you'd like, social distance if you prefer but join us as we come together for one purpose and that is to fellowship and worship the one true God together once again. We hope you can join us on June 7.

Blessings,

Ja
