## Oakley Christian Church

MONTHLY NEWSLETTER  
AUGUST 2020

### From The Whyte House

What a year it has been and we still have 5 more months to go. Do you ever wonder or catch yourself asking, "What could possibly happen next?" Well I know I have off and on. Think about how this year started out. The impeachment of the President, then the Pandemic, then the rioting and protesting and then the rise of the pandemic again. Man oh man this has been a year for the history books. That got me to thinking about how we should be responding in the face of all of this as Christians. More pointedly, how should we be responding as followers of Jesus? Amongst all of this craziness and chaos how do we respond to the next whatever that is coming around the corner. So I decided to write a series of sermons called, **What Next**. This series will begin this Sunday, August 2. During the 4 weeks of August we will be honing in on our faith and how to apply it to every situation. Bring a friend and join us this Sunday, August, 2 at 10:30 for a study on how we can respond in this crazy time we are in.

Living in faith everyday,

*Ja*
