MONTHLY NEWSLETTER | OCTOBER 2020

From The Whyte House

Can you believe that we are already at the start of October? Time, once again, is moving too fast. Before we know it we will be at Thanksgiving, Christmas and the end of the year. Which is exactly what I wanted to talk about with this October article. In some ways we are in , what I would call, the calm before the storm. Some of you are saying, “Speak for yourself Ja we are smack dab in the middle of a busy season.” I'm sure you are but when I refer to the calm before the storm I am referring to November and December being the neck break pace to the end of the year. Which reminded me that October is the time for a breather, if we can take it, before we jump into all of the festivities that await us. I am reminded of a passage where Jesus and His disciples were ministering to the crowds and were very busy. Jesus tells them in the last part of Mark 6:31, **“Come with me by yourselves to a quiet place and get some rest.”** I love Jesus’ invitation to the disciples and to us. He recognized the crazy hectic life that these disciples were experiencing and He invited them to come by themselves to get rest. Sometimes we forget how good it feels to just be alone with just you and God. I would pray that over the next few weeks, leading up to November and December, that you would take Jesus up on His invitation to spend some time with Him in a quiet place for some rest. Just you and Him and let Him remind you of who’s you are. Let Him remind you that you are chosen and loved. Blessings on your October and blessings on your quiet rest with the creator of the universe.
