You might be asking, what exactly is Walk Thru the New Testament? Here is an answer from their website:

It's not a class, a typical seminar, or a boring lecture. It is, however, a highly engaging, dynamic, and memorable event that helps you understand God's Word and make the connection between His story and yours. In each of these events, a certified instructor will guide you on a virtual "walk" through the Bible. Whether you are learning the major people, places, and events of the Bible in otLIVE or ntLIVE, you'll experience God's story like never before.
